

## Free Eco-Dentistry Webinar

The Kentucky Division of Compliance Assistance, in conjunction with the Eco-Dentistry Association, invite you to attend a free, one-hour webinar that will help participants learn some of the basics of saving water, energy and money through eco-friendly practices. You will also learn about reducing your waste stream and pollution prevention. **The first twelve people to register will also receive a free, one-year membership in the Eco-Dentistry Association (EDA).** Join us to see how you can help your practice save money and the environment.

### Session Date:

Sept. 21, 2011  
12 p.m. – 1 p.m. EDT

### Cost: Free
