

Kentucky Dental Association

Dear KDA Member,

The Kentucky Dental Association Executive Board has endorsed a new credit card processing company and is proud to announce our newest member benefits provider for electronic payment processing! We have partnered with National Processing Company (NPC), a leading provider of credit card processing & other point-of-sale payments. Headquartered in Louisville KY, NPC has longevity and experience in the payments industry, providing payment processing to over 420,000 businesses nationwide.

NPC works with dental offices nationwide, providing the convenience for doctors and their patients to pay co-payments and balances with credit and debit cards. NPC has customized solutions to meet your needs, whether you prefer to utilize a counter-top terminal or an online gateway through your PC/MAC. Both solutions provide a convenient method to schedule payment plans for an easy automated collection process, thus reducing your accounts receivables and potentially shrinking write-offs.

It is now more important than ever to provide your patients and customers with convenient and flexible payment options. KDA & NPC strongly encourage you to have a free face to face rate comparison completed by a NPC sales consultant to show your potential cost-savings and you will receive a \$25 gift card.

Once you begin processing with NPC you will receive a \$25 credit on your first NPC monthly statement. NPC will be calling you over the next few weeks to ensure you are aware of the program details and potential savings available for you. Please let your office manager and staff know, so NPC's call doesn't catch them off guard.

Partner with KDA & NPC and feel confident with an experienced payment processor!

Contact Bev Lush with NPC today at (800) 376-3399 x2752 or [blush@npc.net](mailto:blush@npc.net).

Sincerely,

Mike Porter  
Executive Director  
Kentucky Dental Association
