2021 Kentucky Meeting at the Galt House Hotel

Disclaimer: At this time (February 2021), the KDA is proceeding as though we will have an in-person meeting in 2021. This could change if COVID rules change, so we will have to take things as they come and see how the pandemic affects social gatherings later in the year. Thank you for your support and patience.

We really appreciate your patronage and want to offer you a **FREE ad** with your booth purchase. If you have reserved space for a booth at our 2021 Meeting at the Galt House Hotel, just send us a color PDF file and we will include it in our **Preliminary Program Guide Supplement**, which will be inserted in the center of our Preliminary Program Guide!

FREE for you!
