5. **EXECUTIVE SESSION.** The Executive Board moved into Executive Session for the purpose of discussing personnel matters.

6. **REPORT OF THE PRESIDENT. Dr. Don Heine** gave the following report.
Initial interviews for KDA Executive director position have been scheduled.
Dr. Steve Robertson has stepped up as our temporary director and is doing a great job.
Annual meeting is just around the corner.

7. **REPORT OF THE INTERIM EXECUTIVE DIRECTOR.** Dr. Stephen Robertson submitted the following report:

**Kentucky Dental Association
Interim Executive Director Report
Stephen W Robertson, DMD**

Legislative & Medicaid:

Our Legislative agenda remains intact. Assignment of Benefits, Medical Loss Ratio, Retro term Recoupments and Medicaid improvement head our list. We are planning on once again supporting a soda tax as a method of funding the needed financial increases in the Medicaid program.

It is expected Fluoride will remain a constant issue, and the Kentucky Dental Board will be reviewing and updating regs as it is time for this process. There is no intention of opening the Dental Practice Act currently. As you are all probably aware the previous Medicaid expansion regulations were struck down by the legislature. New regulations have been filed, and as before were found deficient in review. The Governor has overridden this, and we filed written comments on the May 31 deadline for public commentary. This is an ongoing process that will be closely monitored.

The Technical Advisory Committee for Dental Medicaid and the Medicaid Advisory Committee have asked for specific information regarding Dentist utilization numbers on multiple occasions. We are following the most recent requests to see if an open records request may be warranted.

We are amid the unwinding of the Medicaid Expansion population due to COVID. Kentucky has a plan in place which seems to be functioning well currently, as we have had minimal complaints. The plan is that all recipients of expansion benefits within the Medicaid program will continue to be enrolled through their slated renewal date. One month prior to their renewal date, they will receive a notification to attempt to reenroll or apply for other coverage through KYCONNECT. **As a reminder**, all Medicaid coverage for each patient should be verified on the day of the visit. There is an agreement that if you have verification on date of service, services will be covered as applicable. It is recommended you print the dated screen page or screen shot the page for your records.

Lastly, we have been notified by the State that a Pediatric Dentist needs to be nominated to the Childrens TAC by the KDA.

DEA Diversion CE requirement:

The Consolidated Appropriations Act of 2023, passed on December 29, 2022. Within this Act was the establishment of a one-time 8 hour continuing education requirement for renewal of DEA licensure. The required coursework is to cover the treatment and management of patients with opioid or other substance use disorders. This is slated to begin on June 27, 2023.

After significant research, the consensus is that the vast majority of Kentucky dentists have already met these criteria. The guidelines currently available state previous education is applicable, and that any Dentists within 5 years of graduation from an accredited dental school are exempt, as the information was covered within their education. Beyond the 5 years, if you have been through the last 3 licensure cycles in Kentucky, you were required to take 3 hours of KASPAR related CE. This would equal 9 hours, with a DEA requirement of 8. The small catch is that there is a very limited number of approved CE providers. The ADA, AMA, CERP, and AAOMS are included. Notably, AGD is not at this time, but that is being addressed and may take some time to correct. Many have taken their KASPAR courses through the Universities or CE Central at UK. All these courses would have fallen under the approved providers.

When it is time for each Dentist to renew their DEA licensure, all that will be necessary is to check a box stating the requirement has been met. No paperwork or information upload is indicated at that time. It is possible that there could be future spot audits where this information will need to be provided, but currently there is no mechanism for that to occur.

If you are concerned about hours, numerous courses are currently available or scheduled at both Universities that meet the specific criteria. These courses will also meet the HB1 KASPAR criteria, and any hours above and beyond the Kentucky 3 hour requirement will count toward the 30 hour renewal total.

The KDA office will be releasing a Constant Contact on this topic for members on Monday.

Kentucky Board of Dentistry:

I recently reached out to Jeff Allen, Executive Director of the Kentucky Board of Dentistry, and we had nice exchange of ideas. Jeff has agreed to participate in our KDA Executive Board meetings, and we also agreed to maintain an open dialogue.

We discussed Workforce issues, open licensure for Dentists and Hygienist (the Dentist and Dental Hygiene Compact,) and the SB94 APRN bill, which in Section 2.1c establishes a "Controlled Substances Prescribing Council." This Council is to have representation from many fields, including one General Dentist and one Oral Surgeon. The Board is open to recommendations from the KDA on these individuals.

ADA:

As most are aware, the ADA voted to change their Governance structure at the last Delegate meeting in Houston. As part of this Kentucky has been placed in a new multi-state region. We are currently establishing the Strategic Action Work Groups for this region and Kentucky was asked to nominate 4 individuals. The Work Groups are Direct to Dentists (products, services, and programs aimed at Dentists, Dental Students and teams across all practice modalities,) Tripartite (activities that directly support the operations of state and local associations,) and Professional/Public (initiatives to improve the oral health of the public and advance the profession of Dentistry.)

Our nominees are Jovita Devasia (UKCD,) Olivia Estes, Mark Graves and Gina Davis.

There are 2 upcoming ADA meetings in Chicago we have been asked to send representatives to attend.

The ADA Conference Week is combining several meetings including Executive Director and President Elect on July 16-18.

The ADA Wellness Summit on September 8, 2023.

These meetings involve travel fees only.

KDA Meeting:

I want to go on record stating how excited I am about the opportunities at the upcoming KDA Meeting! We have an excellent assortment of courses for the entire Dental team, so encourage everyone to bring the entire office and stay at the Galt House. These meetings hinge on filling our room blocks, so please stay on site, and tell others the same. The exhibit hall is nearing capacity, and there are numerous fun events planned. This is going to be a great one! Talk it up, get bodies to Louisville! We have done a fabulous job managing expenses, so we have a huge chance for a very prosperous meeting, with your support!

Closing:

It was recently announced that Kentucky came out on top of another list. In the America's Health Ranking Report on Seniors, it was reported our state was ranked #1 in senior extractions and 48th in overall health. Just more fuel for the fires in Frankfort!

More than likely this will be my only report as Interim Executive Director, and I want to take a moment to thank everyone for the opportunity to fill this role. It has been an honor! We have a fine Association with a dedicated staff, let them know you appreciate their efforts daily on our behalf! I have found out this is not a part time job, but I'm loving it! Thanks again!

Respectfully Submitted,
Stephen W Robertson, DMD

8. REPORT OF THE UNIVERSITY OF KENTUCY COLLEGE OF DENTISTRY.

University of Kentucky College of Dentistry
Kentucky Dental Association Executive Report

May 2023

College Updates

- In partnership with Primary Plus, the UK College of Dentistry has open a new rural dental clinic in Brooksville, KY. This clinic will service three counties in northeast Kentucky. An open house event was held at the Bracken County School-Based Health Center on May 10, 2023. The College is very pleased to be part of this clinic to serve the dental needs of these rural Kentucky citizens.
- During the university's annual day of giving, One Day for UK, the college raised nearly \$10,000 in support of Saturday Morning Clinic Fund, College of Dentistry Scholarship Fund, Dan Seaver Scholarship Fund, Dentistry Pediatric Clinic Renovation Fund, Dorothy Cavins Endowment Scholarship, Janet Faraci Lee, DMD, Leadership Development Endowed Fund, Class of 1967 Gift Fund, Orthodontics Enrichment Fund, and Sharon K. Butler Memorial Endowment Fund.

Awards and Honors

- Dr. Ron Singer and Mr. Bobby Helton were awarded a \$50,000 Women in Philanthropy grant to increase public health clinics for underserved populations in Central and Eastern Kentucky.
- Dr. Emily Winfrey was inducted into the Omicron Kappa Upsilon Dental Honor Society.
- Dr. Ian Boggero was accepted into the ORBIT Institute as a fellow. The ORBIT Institute: Developing Behavioral Treatments to Improve Health is a NIH-funded short course that accepts 25 fellows per year and trains them in behavioral intervention development for cancer prevention/treatment and related health behaviors.
- Dr. Lorri Ann Morford was one of four faculty awarded a \$5,000 scholarship from the American Association of Orthodontists (AAO) to attend *The Institute for Teaching and Learning (ITL)*.

- Dr. Ronald Singer was promoted to Associate Professor in the Department of Oral Health Science.

Student Updates

- The DMD Class of 2023 achieved a 100 percent first-time pass rate on the Integrated National Board

Dental Exam.

- Periodontal residents celebrated receiving American Academy of Periodontology In-Service examination scores ranging from the 96-99 percentile.
- The Student National Dental Association (SNDA) chapter at UK received a Collaboration Award from the University of Kentucky Office of Student Organizations and Activities from their work with Hues in Medicine and Minority Students in Neuroscience, and College of Medicine Office of Diversity and Inclusion.
- Dr. Anna Alessandri Bonetti (Orofacial Pain Certificate Program) received the 2023 American Academy of Dental Sleep Medicine (AADSM) Student Excellence Award for her poster submission, "Predictors of first onset temporomandibular disorders during mandibular advancement device therapy for obstructive sleep apnea."

Philanthropy/Alumni Relations

- In March, the UKCD Alumni Association held its first quarterly Alumni Board Meeting, in a hybrid format. Dean Okeson provided an update to the board on the status of the college and event committee chairs updated the group on plans for 2023 signature events. A moment of silence was held for alumni who had passed away since our last quarterly meeting.
- An alumni reception was held for UKCD alumni, faculty, and students attending the annual Hinman Dental Meeting. Dean Okeson provided a college update, and the UKCD Alumni Association provided door prizes to all in attendance.
- The UKCD Alumni Association hosted a graduation celebration for the UKCD Class of 2023 and individuals completing one of the college's graduate programs at the UK Cornerstone facility in March. Linzi Ralph was recognized for serving as the Class of 2023 student representative to the alumni board during her time in dental school. Additionally, each year the UKCD Alumni Board invites several young alumni to be guest speakers and talk to the group about life after dental school. This year's speakers were Drs. Tyler Bolin, Dustin Mayrand, and Shelby Sheeran.
- In April, the college hosted its annual Donor Appreciation Dinner at the Hyatt Regency to celebrate philanthropy and achievement. This event provides a unique opportunity for donors to hear firsthand how their generosity has made a life-changing difference for UKCD students. Dean Okeson served as emcee for the program.
- The UKCD Alumni Association would like to invite alumni and friends of the college to save the dates for these upcoming alumni events/activities: May 19-21 Women's Wellness Retreat, June 6 Submission Deadline for Distinguished Alumni Nominations, August 19 Golf Tournament, August 25 Alumni Reception at the KDA Annual Meeting, and October 12-14 Fall Symposium Alumni Weekend and Barrels & Kegs Tasting and Silent Auction.

9. REPORT OF UNIVERSITY OF LOUISVILLE COLLEGE DENTISTRY.

University of Louisville School of Dentistry (ULSD) Kentucky Dental Association Executive Board Report May 31, 2023

Leadership Updates

- Dr. Gerry Bradley is returning to the position of interim Provost for the University of Louisville on July 1, 2023. Dr. Margaret Hill will again serve as interim Dean for the School of Dentistry.

Student Activities

- The ULSD chapter of ADEA was honored with Gold status for the second year in a row during this year's ADEA Annual Session in Portland, Oregon.
- The class of 2023 performed very well on clinical boards this spring, with a 100% pass rate for all sections of the exam for both the DMD and Dental Hygiene students.
- Convocation for class of 2023 DMD, dental hygiene, and advanced standing students took place Saturday, May 13, 2023, at the Louisville Palace. During this event, ULSD presented 118 Doctor of Dental Medicine degrees and 29 Bachelor of Science in Dental Hygiene degrees to the class of 2023. One DMD student also completed a PhD in Oral Biology. Speakers at the 136th annual convocation included Dr. Darren Greenwell (representing the Kentucky Dental Association), Mr. Garrett Westerfield (representing the Kentucky Dental Hygiene Association), Dr. Zayd Odeh (DMD class president), and Ms. Bailey Saulman (dental hygiene class president).
- ULSD held its annual awards ceremony for graduates the day before convocation. Fourteen members of the DMD class of 2023 were welcomed into the Omicron Kappa Upsilon National Dental Honor Society. The full list of award recipients is available on our website at louisville.edu/dentistry/awards. Accomplishments of note include:
 - Louisville Dental Society Professionalism Award – Ryan McEldowney
 - LASDA Student Leadership Award – Kirsten Peterson
 - Kentucky Dental Hygienists Award – Victoria Marcum
- The application window for the next DMD recruitment cycle opens on June 1.

Alumni Affairs & Continuing Education

- The ULSD Alumni Association partnered with ADA to host the second annual ULSD Alumni Night at the Ballpark on Tuesday, May 9. This was a great opportunity for soon-to-be-graduates to join ADA and their state dental association, as well as to be welcomed into the ULSD alumni community.
- The Dental Hygiene Legacy Alumni Council held its annual Woodward/Burch Floss Walk on May 20, 2023. The event promoted oral health while raising funds that support the council and the dental hygiene program.
- Upcoming alumni events:
 - The ULSD Alumni Council is hosting a get-together on June 8, 2023, at Clayton & Crume. Co-founded by ULSD alumnus Tyler Jury, DMD '16, Clayton & Crume's flagship store in NuLu was originally built as a chapel in 1854. The building was later converted into a boxing gym where it became a training ground for Muhammad Ali.
 - Reunions for DMD and DH class years ending in 3 and 8 will take place June 9-10, 2023. We are thankful to our reunion sponsor, Dental Recycling North America (DNRA), for helping make this event possible.
 - The ULSD Reception at the KDA Meeting will take place Friday, August 25, 2023.
 - The ULSD Orthodontic Alumni Association Annual Meeting will take place Friday, October 13, 2023.

- Upcoming in-person CE events:
 - June 10: 40th Annual William J. Mansfield Alumni Day - Comprehensive Dentistry: Art. Science. Humanity
 - June 15-25: Local Anesthesia and Nitrous Oxide Analgesia for Dental Hygienists (5-day course)
 - June 16: Local Anesthesia and Nitrous Oxide Analgesia Refresher
- Upcoming virtual CE events:
 - June 29: Emergency Opioid Reversal for Dentists: Evidence-Based Strategies for When, Why and How (meets requirements for DEA licensing and renewal)

Faculty and Staff News

- The following faculty and staff members were honored by the class of 2023 during the Honors & Awards Program:
 - Ms. Dana Potter – LASDA Staff Appreciation Award
 - Dr. Mark Vance - William R. Wolfe Full-Time Faculty Award
 - Dr. Jacob Bishop - D.T. Cummins Part-Time Faculty Award
 - Dr. Eduardo Bortoluzzi - Wilson Teaching Award
 - Dr. Mark Vance - Wood E. Currens Award
- The following faculty members are retiring in June 2023 with deep gratitude from the University of Louisville School of Dentistry for their many years of service:
 - Dr. P. Gay Baughman
 - Dr. Bruce Cook
 - Dr. Robert Greene
 - Dr. David Maddy
 - Dr. Michele Pisano

Research

- Dr. Grace De Souza and Dr. David Scott have been selected as AADOCR Fellows, recognizing their excellence and leadership in research. Both were honored during the AADOCR/CADR Annual Meeting in Portland, Oregon on March 16.
- Dr. Grace De Souza has been selected to join the editorial board of the Journal of Dental Research, one of the most prominent scientific journals worldwide.
- Dr. Silvia Uriarte has been asked to serve as a member of the Oral, Dental and Craniofacial Sciences (ODCS) Study Section. This is the main panel which reviews grant applications to the NIH for dental research. Dr. Uriarte's four-year term will begin on July 1.
- Nearly 60 students are participating in the 2023 ULSD Summer Research Program this summer.

Subject: Medicaid Update: May 3, 2023

Just a quick update regarding the recent legislative session regarding the Medicaid dental investment and a HPV Summit CE opportunity on Friday, June 16, 2023 in Columbus IN. We also wanted to give a shout out from the Indiana Oral Health Coalition to Dr. Isaac Zeckel, HealthLinc's Chief Dental Officer who was recently recognized for his efforts in getting patients vaccinated against HPV and who presented at the HPV Forum held in South Bend.

If you have any questions about Medicaid, please send a separate email.

Thanks,

Leila

HB1001-State Budget Bill:

Indiana Medicaid is jointly funded by federal and state funds. The legislature recently passed HB1001 which funds Medicaid's request of \$12.9 million state share to be used for a dental investment with a total dental spend of \$47.3 million for the next biennial budget. Indiana Medicaid intends to review reimbursement rates every 4 years so this will eliminate long lapses in having fee increases. HB1001 also included funds for Indiana Medicaid to provide inflation rate increases for years when rates are not reviewed. Please stay tuned to IHCP Updates for more information. If you have not signed up for email notifications for IHCP correspondence, please click on the following link to assess the webpage to register.

NEW TELEHEALTH GUIDANCE

New [telehealth guidance](#) from the Health and Human Services Office of Civil Rights (OCR) informs providers about post-Public Health Emergency expectations.

From May 12 to Aug. 9, 2023, providers will be given a transition window to ensure all telehealth platforms are Health Insurance Portability and Accountability Act (HIPAA) compliant. Beginning **Aug. 10, 2023**, providers will be subject to OCR penalties for non-compliance.

Please note: Platforms such as Apple FaceTime, Facebook Messenger video chat, Google Hangouts video, standard Zoom, or standard Skype are generally not HIPAA-compliant modalities for the provision of telehealth services. [HHS provides a list](#) of some vendors that represent that they have HIPAA-compliant video communication products and will agree to enter into a HIPAA Business Associates Agreement (BAA). Additional guidance on BAAs, including sample BAA provisions, is available [here](#).

Blue Grass Dental Society Report

We haven't had an Eastern Dental Society meeting since January 2023 and I am not aware of any vacancies. I am assuming the current officers will continue to serve, as will I. Personally I have had a death in the family and the funeral is being held at the same time as the meeting and I, unfortunately will not be able to attend the meeting.
