**EVERclean**  
MAINTENANCE MACHINE

BY YOUR SIDE

# EVERclean

Designed with convenience in mind, the EverClean Maintenance Machine is the perfect solution for today's busy practice. Combined lubrication and purging cycles lead to a quick and easy, hassle-free maintenance that keeps your handpieces running like new. Affordable, fast, and thorough, the EverClean is the ideal maintenance solution for all your handpiece needs.

EverClean™ Maintenance Machine  
**5028208U0**

· 2-Year Warranty

Complete with three **Ports** for air or electric attachments. Adapters available for most handpieces and attachments.

*Adapters sold separately*

**Internal Suction Valve** creates vacuum effect to capture larger oil droplets from the cleaning chamber, making clean up even easier.

Removable **Oil Tray** with replaceable **Oil Sheets** collect excess lubrication and debris during the purging cycle.

Simple **Display Panel** allows you to easily choose desired handpiece stations, activate the chuck cleaning cycle, and adjust cycle time as needed.

Dedicated **Chuck Cleaning Station** to improve the performance and further extend the life of your handpiece.

EverClean™ Spray  
**5028210U0**

· 500ml spray can  
· Over 400 uses per can  
*Spray can sold separately*

Removable **Door Shield** catches excess oil and debris for easy cleaning and can be replaced when needed.
