## **Embrace Your Inner Nerd: Using Dental Technology to Increase Efficiency**

To download a full-color PDF copy of today's slides to your phone, tablet or computer:

- Text 606-375-4170
- Keyword: **Technology**
- **First\_Name Last\_Name**
- **Email Address**

### **Today's objectives:**

- Explore new products and solutions
- Learn how to incorporate new technology into your practice
- Learn tools to best evaluate cost effectiveness of the new tools you're considering

Proper use of digital technology can increase your **productivity** and your **bottom line**.

- Increased automation can result in time savings
- Increased delegation improves efficiency and hourly production
- Improved consistency throughout the practice that directly affects customer service

**Resource:** Procrastinate on Purpose by Rory Vaden

# Embrace Your Inner Nerd: Using Dental Technology to Increase Efficiency

## Today's sponsors:

### Telephony

**Co-Sponsor Resource: Weave**      **888.579.5668**      [www.getweave.com](http://www.getweave.com)

- Replace your land line phone system with a VoIP system that integrates with your practice management software, for about the same cost as your existing land line system, including phone and text

### Evaluating Office Productivity:

**Co-Sponsor Resource: Sikka Software**      **800.947.4552**      [www.sikkasoft.com](http://www.sikkasoft.com)

- Best software available for evaluating your office statistics. Easy to understand reports to help you make needed corrections. Over 15,000 users.
