

# DENTAL DONE BETTER

Together We  
Are Making a  
Difference in  
Kentucky

DentaQuest is the most experienced dental benefits administrator in the nation. We manage dental benefits for 30 million members through Medicaid and CHIP, Medicare Advantage and commercial and exchange-based plans.

Our prevention-focused care goes beyond the dental chair and into the broader health community to improve access and outcomes for everyone.

Our local provider reps are onsite in Kentucky to assist you with network information, resources, forms and tools.
