

# modento

The single software solution for the modern dental organization.

Patient engagement designed to help dental organizations grow their business and increase profitability.

Don't just survive – **thrive**, with Modento.

### All-in-One

A single solution for all of your practice's needs - no more remembering multiple logins or toggling between platforms

### Cloud-Based

Your data is always securely backed up with our HIPAA-compliant solution and is accessible from anywhere with internet access

### 2-Way Integration

Installs smoothly on top of your existing Practice Management Software and syncs forms and info directly to patients' charts

### User-Friendly

Designed with you in mind, our highly customizable platform is easy to navigate for even the least tech-savvy individuals

*Modento replaced three of the subscription softwares we were using and has become irreplaceable to both our practice and our patients. Its ease of use, seamless integration, numerous functions and excellent support made the transition a breeze.*

# Features and Benefits

What does "all-in-one" really include? Our \$299/mo Modento Core subscription includes everything you see here.

**2-Way Communication:** Seamless 2-way communication with your patients via text, email and push notification helps improve patient experience during scheduling and follow-up.

**Reminders & Confirmations:** Reduce no-shows and last-minute cancellations with customizable appointment reminders via text, email, or push notification. Automated appointment confirmations allow patients to easily confirm their appointments via text or email without your staff having to lift a finger.

**Virtual Check-In:** Prevent crowded waiting rooms – patients can easily check in from their phones and you'll see their status update in real time in your practice management system.

**Digital Forms and Consents:** Increase productivity and staff utilization by eliminating paper forms and automating form sending. Patients can complete their paperwork by following a text or email link, in the Modento app, or on an in-office Kiosk. Completed forms automatically sync with your practice management software.

**Treatment and Payment Plans:** Boost case acceptance with fully customizable treatment plans that allow you to cater to each patient's dental competence. Build trust with transparent payment plans; any and all of your practice's payment options can be added to the treatment plan presentation with just one click.

**Voicemail Drops:** Send new patient welcome messages, pre-op/post-op instructions, birthday messages, and more with voicemails sent straight to their mailbox in a few clicks.

**Review Requests:** Bolster your online reputation and attract more new patient business with review requests. Connect up to 5 review sites and send manual or automatic review requests to patients after a completed appointment.

**Marketing:** Versatile marketing tools allow you to bulk send targeted, personalized messages to specific patient groups. Create and store email templates for everything from newsletters to discounts to holidays to EOY benefits reminders.

**Recall Reminders:** Keep patients from ever missing a cleaning with automated hygiene recall reminders via text, email, or push notification.

**Patient App & Loyalty Program:** Patients can see their upcoming visits, fill their forms, send secure messages, make payments, and more – all while earning loyalty points that they can redeem for prizes. Award points for the behaviors you want to encourage, improve patient loyalty, and get more referrals.

**Modento GO App for Staff:** View your schedule and patient contact info inside our convenient, secure mobile app. Receive notifications in the app or on your smartwatch, so you can focus on your patients and never miss an important message.

**5-star Customer Service:** Easily Live Chat with real support agents right inside your Modento dashboard – our average response time is under 3 minutes! Our award-winning customer service team boasts a 5-star satisfaction rating from our users.
